

THE MOUNTAINS, OF DATA, ARE CALLING!

2024

CCIAA Training Conference September 10th - 13th, 2024

The California Crime and Intelligence Analyst's Association, in partnership with the Northern Valley Crime and Intelligence Analyst's Association, invites you to attend the Annual Training Conference! These conferences are great opportunities to network and learn from other accomplished analysts. We are pleased to report that the majority of our instructors are analysts currently working in the law enforcement field. The Granlibakken Hotel is a welcoming and relaxing venue which will be perfect for this educational experience. See you there!

Class Highlights

Real-Time Crime Center Analyst Role * Investigative Support * CCIC Overview
NDCAC Overview * Analyst Burnout: How to Keep your Mojo
Custodial Intelligence * Call Detail Record Analysis * GIS Mapping
PowerBI * Developing a Product Line * Open Source Intelligence
